Withdrawal of Consent

I am aware that it is **not** possible to change newsletters that have already been sent, and that print media that have already been printed **cannot** be changed and will **not** be disposed of! However, my testimonial will no longer be used for further editions after withdrawal.

Participation in the competition requires your explicit consent to the publication of the submitted photos on social media. Without this consent, participation is not possible.
You may withdraw your consent at any time with effect for the future — informally, e.g., by mail to the address provided below. The lawfulness of any processing carried out prior to the withdrawal remains unaffected.

Information on the Internet can be accessed worldwide and can be copied and redistributed. This may mean that it is still available even if the original publication has been deleted.

By accepting the prize, you agree that the relevant photos may be used permanently for the purposes of corporate communication and public relations.
