

## Consent to the Publication of Photographs Submitted for the Campaign

By completing this form, I give my consent to the publication of my personal data and the photographs I have submitted.

This consent is given in accordance with Article 7 of the General Data Protection Regulation (GDPR).

The company (H. Frank Kunststofftechnik GmbH, Vorderfreundorfer Straße 20, 94143 Grainet, Germany, and its official country representatives — hereinafter referred to as “the company”) would like to use the photos and any optional comments I submit as part of the giveaway (hereinafter referred to as “data”) for the following “purposes”: to present a more personal image of the company and to showcase the use of its products:

- on roll-up banners and posters at events
- as part of this campaign and beyond, for general advertising purposes
- on the company’s websites
- on the company’s social media channels
- in print materials
- in the company’s newsletter

For this reason, the company requests my permission to use the data.

**I hereby consent to the company using my submitted data and photos for the purposes stated above. If the photos contain indications of my ethnic origin, religion, or health status (e.g. skin color, head coverings, glasses), I also consent to the indirect publication of such information.**

A list of official country representatives can be found at: [www.duplo-frank.de/en/contact](http://www.duplo-frank.de/en/contact)

### Photo Submission Notes:

Please send us high-quality photos — ideally from various angles or showing action shots.

Make sure no one else is visible in the photos besides you.

If you wish to submit a group photo for the campaign, please ensure that all visible individuals submit their own signed consent form. These forms can be sent to us by E-Mail. Without full consent from everyone pictured, we cannot use the photo due to data protection regulations. In such cases, the image will be deleted immediately upon receipt and cannot be considered for the giveaway.

We regret that we cannot accept photos of minors for data protection reasons. Any such submissions will be deleted immediately, and participation in the giveaway will not be possible.

### Withdrawal of Consent

I understand that newsletters already sent **cannot** be modified, and printed materials already in circulation **cannot** be altered or withdrawn. However, following my withdrawal, my photos will **not** be used in any future materials.

Participation in the giveaway requires your **explicit consent** to the publication of your submitted photos and comments for all purposes listed above. Without this consent, participation is not possible.

You may revoke your consent at any time with effect for the future — informally, for example by post to the address below. The legality of the processing carried out up to the time of revocation remains unaffected.

**Please note: Information published on the internet is accessible worldwide and may be copied or shared. This means it may remain available even after deletion from the original source. By accepting the voucher, you agree that the submitted photos may be used permanently for Duplo's corporate communication and public relations purposes.**
