

Dec. 11-12, 2021

Composite Shoeing Contest

Workshop and contest!

Spend Saturday learning or refining your plastic welding skills, shaping the metal insert, nailing, and glue technique. Put it to the test with a written and practical exam on Sunday. This will cover shoeing for specific lameness in either a nail or glue entry. Assigned times for Sunday contest.

Glue and nail supplies provided. Information and entry online at www.duplo-usa.com or call 406-930-0357.
